

April 12, 1973

SPEAKER: Well, is it all right with you, we only have a few bills up here, if we try to run through them first and then come back to you?

SENATOR CLARK: Fine, just as long as I can get it done sometime.

SPEAKER: If you'll press your button there at the proper time. LB 297.

CLERK: Reads title. There are committee amendments by Senator Whitney's retirement committee.

SPEAKER: Senator Whitney.

SENATOR WHITNEY: Mr. President, I move the committee amendments be accepted. What this committee amendment would do would be to strike the last sentence from the bill, the last sentence did not appear to be really Constitutional so we took it out and then we insert a sentence which says, such certification may be applied for by written request to the Public Employees Retirement Board. We're speaking here in terms of accrediting the actuaries who make estimates with reference to retirement programs. I move the committee amendment be adopted.

SPEAKER: Any further discussion of the committee amendment? Now are you ready for the question? All those in favor of the committee amendment say aye, those opposed no. The amendment is adopted. Are there further amendments, Mr. Clerk?

CLERK: None.

SPEAKER: Senator Whitney.

SENATOR WHITNEY: I move that LB 297 be advanced to E & R Initial.

SPEAKER: Is there further discussion? Are you ready for the question? Question is, shall the bill be advanced? That's LB 297, all those in favor vote aye, those opposed vote no. Clerk will record.

CLERK: 26 ayes, no nays, Mr. President.

SPEAKER: The bill is advanced. LB 487.

CLERK: Reads title. There are committee amendments by Senator Luedtke's Judiciary Committee and there is further an amendment by Senator Luedtke to the committee amendments.

SPEAKER: Senator Luedtke.

SENATOR LUEDTKE: Mr. President, I would move the adoption of the amendment to the committee amendments and I'll explain it. The, in the committee amendment there was a note that my secretary had which had a motion to do away with the word shall on line 9 of page 2 of the bill. However, we did not vote on that motion, it was not a part of the amendment so I am merely taking out that reference where it says, in line 9 strike shall and insert may. Shall should remain in the bill so that's the amendment to the amendment to make it conform to what the committee actually did.

SPEAKER: Any further discussion of that amendment?
